**Please use this space to write a brief description (50-100 words) of the person(s) to whom the jump is being dedicated.** (E.g., "In honor of Jane Smith from her family. Jane Smith of Minneapolis, MN is 62 and has had Parkinson's for five years. She has three grown children and five grandchildren. Parkinson's has slowed her down, but she still enjoys spending time with her grandchildren, gardening and doing crossword puzzles. Her inner strength and sense of humor have been an inspiration to us. We love you and we hope researchers find a cure soon!" **If sponsoring more than one jump, please number your descriptions (1, 2, 3, etc.).**
